

## BOYS IN MONARCH TO BE WINED AND DINED

BANQUET TONIGHT AT MIZPAH FOR FELLOWS WHO FOUND THE ORE

Bob Govan is in addition to a lot of other things more or less, the vice-president of the Monarch-Pittsburg Mining company, the latest of Tonopah's delving corporations to get stuff that will bleed when it is scratched. He held a conference with Alex Dewar Saturday and at the conclusion wires were sent out to Frisco to scour the markets and get the best of everything back by express so that there could be a repast served at the Mizpah that a Sybaris might covet.

The big eat will take place tonight at the grill and all the miners from the Monarch will be there. They may come in their digging clothes if they desire, but the main thing is that they are expected to be there and there will be no declinations accepted.

## EAGLES' MASQUERADE BIRTHDAY REMEMBERED

PLANS OUTLINED FOR A BRILLIANT AND PLEASURABLE SOCIAL GATHERING

In annual assemblage, to celebrate not only Washington's birthday, but to commemorate the founding of No. 271 away back in the early annals of the city, Tonopah Aerie of Eagles, their ladies and the general public will meet this evening in Miners' Exchange hall at a bal masque. The invitation extended is general, the only requirement being that one be not in the undesirable class, and to this end all masks will be lifted and faces scrutinized by a committee at the door.

The mere wearing of a mask will not constitute a costume, but it is required that all who dance before the hour of unmasking, appear in full masquerade costume. The members of the committee will appear in full dress. The dance will doubtless be the most elaborate and the most enjoyable of the season.

## WORKED OLD BADGER GAME IN GOLDFIELD

VERTREES FREED FROM CALIFORNIA PRISON BY SUPREME COURT

By a decision of the supreme court of California, Jesse C. Vertrees, convicted of burglary and sentenced to ten years in San Quentin prison, has been freed by a decision of the supreme court of California. The court held that Vertrees was convicted on evidence of two men to whom he confessed to his crime, and that this confession alone was not sufficient to prove the corpus delicti. Vertrees was charged with entering the office of the district attorney of Glenn county and stealing documents.

It will be remembered that Vertrees got in bad in Nevada a few years ago. Accompanied by a woman of pleasing appearance, he worked the old badger game in Goldfield and got into trouble in Reno, the fair accomplice having left him to respond to the advances made by a Goldfield artisan.

FRANK'S APPEAL NOW BEFORE SUPREME COURT

(By Associated Press.) WASHINGTON, Feb. 22.—Attorneys for Leo M. Frank, sentenced to death for the murder of Mary Phagan, the Atlanta factory girl, filed in the supreme court today briefs in Frank's appeal from the Georgia federal court's refusal to release him in a habeas corpus proceeding. The appeal will be argued next week.

They contend the trial court lost jurisdiction by abdication of its function from fear of mob violence and by arranging for Frank to remain out of court when the verdict was announced.

Mrs. Beatrice Musante-Herold was united in marriage Saturday afternoon by Judge Harry Dunseath to Noble C. Miller, who is engaged as miller in the West End mill and is one of the rising young men in his profession. The bride is a very estimable young woman of gracious manner and intellectual qualifications and both bride and groom are the recipients of deserved congratulations. Dr. and Mrs. Musante acted as groomsmen and bridesmaids. They gave a reception last evening to their daughter and her husband, which was attended by a number of friends, and a delightful supper was enjoyed. Mr. and Mrs. Miller have taken the Mrs. H. E. ## CARPENTERS TO GIVE THEIR YEARLY PARTY

A NUMBER OF NOVEL FEATURES WILL BE PRESENTED AT THE DANCE

The United Brotherhood of Carpenters and Joiners of America, Tonopah local, No. 1417, give their annual dance on the evening of March 4 in Miners' Exchange hall, and propose to make the event long to be remembered for the jollity of the occasion. A limited number of invitations will be issued and all who receive the bids will be admitted free, the cost of the party to be borne by the lodge itself, which is now in a very flourishing condition. The artisans of the order plan to introduce new features into the program which will be novel and which will not be announced in advance. At all events, the carpenters are busier at present planning this event than they are in driving nails.

## "DUMMY"

Or, in other words, Blank, Stationery, in your daily business transactions?

?

Webster defines the word "Dummy" as follows: "Dummy—A sham package in a shop, one that does not contain what its exterior indicates. Pictitious, or shammed; feigned."

As applied to Business Stationery, the word "Dummy" carries with it all the odium applied by Mr. Webster. Associated with its use are the tombstones of countless business failures. It consists of a sheet of cheap paper in the shape of a bill head, a letter head, or, possibly an envelope, upon which is smeared the name of a town, together with a few blank lines upon which may be scrawled the name of the firm, person or corporation who is making a slipshod attempt to do business. Or the name may even be gobbled upon the sheet by a rubber stamp.

At all events, the use of such Stationery detracts from the quality of the stock carried if any attempt is being made to give honest, sterling goods.

Its use does not tend to leave a good impression in the mind of the party receiving it.

He is apt to associate you and your goods and your business in the same category to which your stationery properly belongs.

Think it over. Really there is but a short step at times between the road to Success and the broad highway that ends at the great big city of Failure.

## BIG BROTHER DAY AT SCHOOL GYMNASIUM

ELKS AND PUPILS WILL UNITE IN CELEBRATING THIS OCCASION

This evening at 8 o'clock in the high school gymnasium the Tonopah Lodge of Elks and the pupils of the public schools will unite in celebrating "Big Brother Day," a movement that recently originated in Denver and which has spread throughout the country.

A very creditable program has been prepared and the meeting will convene and adjourn promptly on time, in order to permit those who desire to attend the Eagles' dance and the Rifle club meeting. The public are cordially invited to attend the exercises. The children are well drilled and the Elks who will participate have really something interesting and instructive to offer.

MRS. MCKENZIE SERIOUSLY ILL, BUT WILL RECOVER

Mrs. Hazel McKenzie, who has been a teacher in the public schools of Tonopah for the past four or five years, is quite ill with a threatened attack of pneumonia. She was removed yesterday from her home to the Tonopah Mines hospital. Her physicians hold out encouragement for her recovery. This morning her father and sister, G. W. Larcombe and Miss Mabel Larcombe arrived from Reno and are at her bedside. Mrs. McKenzie and her husband, Clyde McKenzie, who is employed at the Belmont as mining engineer, are both graduates of the University of Nevada. Late this afternoon her condition was materially improved.
